Colas ITS Receives Award from Highways Electrical Association

30 November 2018

The Colas ITS business were presented with the Highways Electrical Association (HEA) Contracting Member of the Year (Large Organisation) award 2018 at the awards ceremony held at Celtic Manor on Thursday 1st November.

The award Colas received is presented to the HEA member organisation who in the opinion of the judging panel (the HEA auditing and training staff) have performed best during the year in audits, and training compliance ensuring all relevant employees have the skills and competence in place to carry out the duties they are being tasked with on a daily basis.

Picture below of Iain McDonald (Colas ITS Business Manager) receiving the award.

The Colas ITS business also had three members of staff nominated and shortlisted for award categories; Jamie Clay - HEA Operative of the Year, Dennis Rickard - HEA Supervisor of the Year and Iain McDonald - HEA Manager of the Year. Below is a

picture of the ITS team with the Asset Management Associate Director Ian Gibson who attend the conference and awards evening.

Notes for Editors

1. Colas Integrated Transport Systems services extend across a number of sectors. Using smart technology and systems is something which can be applied to a broad number of infrastructure projects - especially where traffic-flow management is critical.
2. Colas design and manufacture our own bespoke Integrated Transport Systems and equipment, including traffic signals, traffic monitoring and enforcement cameras, variable message systems, access control systems, street lighting and ancillary roadside equipment.
3. Colas Ltd has 1,600 members of staff at 20 sites around the country. The company headquarters is in Rowfant, Sussex, near Crawley and Gatwick.
4. Colas SA is a Euro 11.7 billion French-owned global infrastructure construction giant – see [Colas SA website](#) for more details.
