

# SITE PPE REQUIREMENTS

## HARD HAT

### Compulsory

Hard hats reduce the risk of head injuries and must be worn correctly.

## EYE PROTECTION

### Compulsory with type determined by risk assessment

**Glasses:** Used when there is a risk of debris entering the eye. Transparent and tinted versions available.

**Goggles:** Used where there is a risk of dust, debris or chemicals entering the eye. Hybrid versions available.

**Visor:** Offers face protection as well as a limited form of eye protection. Normally worn with safety glasses underneath for maximum protection.

## HIGH VISIBILITY UPPER

### Compulsory

There are a number of different types of garments available to suit all working conditions. Garments are also available in fire retardant variations. Activities that fall under the High Visibility Policy require a Class 3 garment to be worn.

## HIGH VISIBILITY LOWER

### Compulsory

When worn correctly, these garments offer you the maximum visibility when working on or near the highway.

## HEARING PROTECTION

### Determined by risk assessment

Hearing protection protects you against loud and damaging noises that may occur when carrying out certain jobs, provided they are fitted correctly.

## GLOVES

### Compulsory with type determined by risk assessment

Gloves can protect you from most cuts, abrasions and contact with harmful chemicals provided the right type is selected and worn.

## SAFETY BOOTS

### Compulsory

The wearing of safety boots is compulsory. Boots not only protect you from the elements, they also offer toe and sole protection.

## HIGH VISIBILITY PPE POLICY

Where highways, airfields, construction or other related work activities are undertaken, the company policy is that the following must be worn:

Class 3 high visibility yellow long sleeve vest **or**  
Class 3 high visibility yellow long sleeve jacket **or**  
Class 3 high visibility yellow long sleeve polo shirt.

**With**

Class 1 high visibility yellow trousers.

**This requirement applies to anyone on our sites including inspectors, clients and other visitors.**
